Subject: Accommodation Policy for Participants Under 20 Years of Age

To Whom It May Concern,

According to the event regulations and legal requirements, participants under the age of 20 are not allowed to stay in the official hotel on their own.

Therefore, each participating country must ensure that a Head of Delegation (HOD) or an officially authorized representative accompanies and stays with the players throughout the duration of the competition.

This measure is implemented to ensure the safety, supervision, and well-being of all young participants.

Please be informed accordingly and comply strictly with this policy.

Yours sincerely,

Sahapol Nakvanich

President of Thailand Chess Association
